

5 YEAR TRANSITION PROGRAM

The 5-year Transition program (5YT) is a partnership effort between PCM, NRCS, and the Walton Family Foundation.

BENEFITS

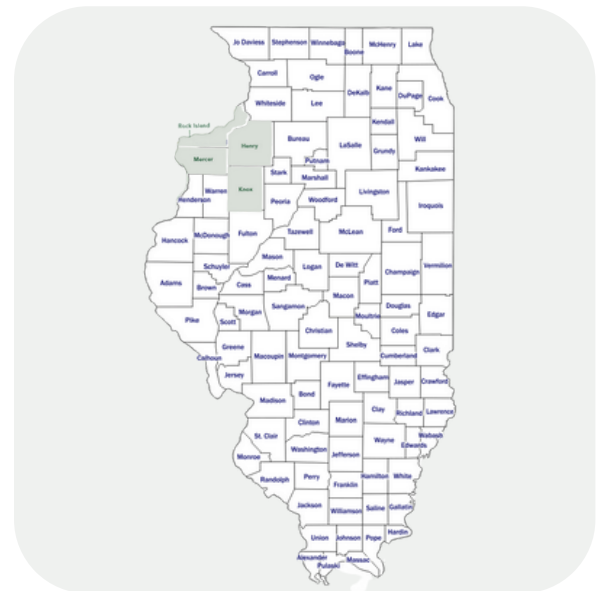

Compensation for this project includes **\$1,500/year.**

REQUIREMENTS

To participate, work with your PCM Specialist to identify either:

- one field (80+ acres) OR
- two adjacent fields (40+ acres each)

Maintain your current management system on half the acres, and implement a 5-year “soil health management system” on the other half.
